

ASHLI NAYELI VIGIL PINEDA

Designer UX/UI

Computer Systems and Network Engineering
Graduate (Degree Pending)

ABOUT ME

Computer Systems and Network Engineering Graduate (Degree Pending), with a Technical Degree in Systems Engineering.

I have experience in managing agile projects, facilitating the implementation of efficient and optimized solutions. Additionally, I possess skills in Blender for 3D modeling and animation, and in HTML and CSS for UI/UX design, enabling me to integrate creativity and technology in multimedia projects.

My goal is to apply my knowledge in both technological areas and the creation of innovative solutions, contributing to the success of multidisciplinary projects.
